## COMMUNITY PARTNERSHIP PROGRAM

# WHO WE ARE

## OUR MISSION

The Junior League of Panama City, Inc. is an organization of women committed to promoting volunteerism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

Women throughout Bay County come together in our organization to create programs that improve our community and receive invaluable training in the process. Our members learn a variety of skills, such as leadership, organizational development, community service, strategic planning, communications, advocacy and fundraising. Through our unique mission, our members learn to manage and train volunteers, unite communities, and form partnerships with businesses and the people we serve to make Bay County a better place to live.

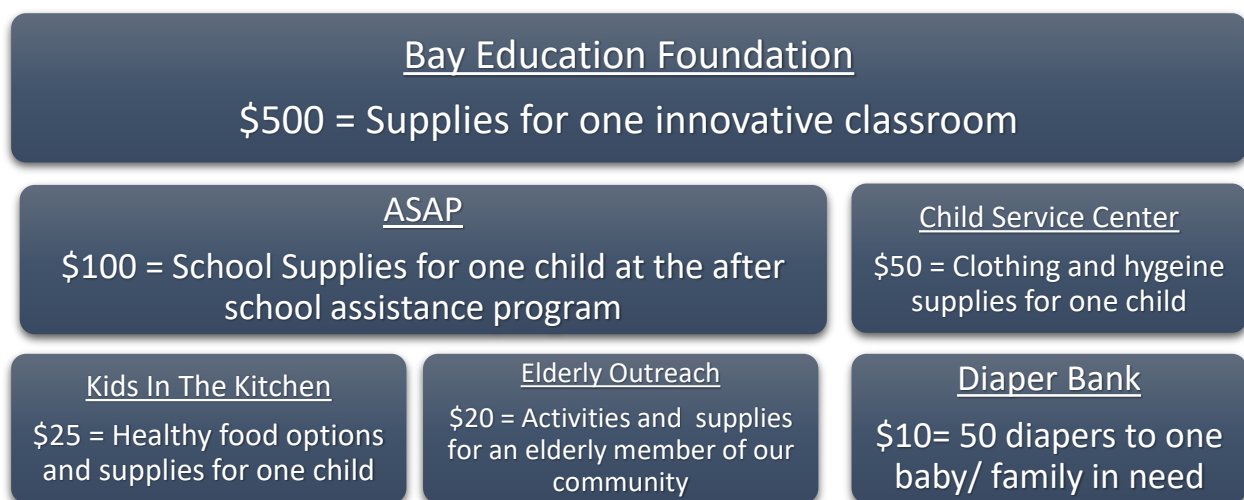

## OUR VISION

The Junior League of Panama City works to identify the unmet needs in our community and develops unique programs to fulfill those needs along with the resources and trained volunteers to sustain those programs. Our organization provides Bay County with a valuable commodity – trained volunteers for community and civic leadership.

## OUR COMMUNITY IMPACT

With more than 350 members, our organization implements research and development of community programs in Bay County through service projects, collaborations, education, and advocacy. Each year our members contribute more than 5,000 volunteer hours to support outreach programs and carry out our mission. Last year, hundreds of underserved children were clothed and given basic hygiene items through our Child Service Center program. Additionally, more than 100 children were taught healthy eating habits while having fun through our Kids in the Kitchen program. Through a partnership with Bay Education Foundation, JLPC helped to award \$14,500 to area teachers for innovative classroom use. These are just a few of the projects where JLPC volunteers impact our community. By supporting our mission, you are making a lasting investment for the present and future needs of Bay County.

Join us at Edgewater Beach Resort, where Holly Fair promises to continue to be a shopping experience like no other! Holly Fair is more than just a unique shopping experience, it is a holiday tradition! It paves the way for continued community growth and improvement as it helps fund the community impact projects of the Junior League of Panama City. Come enjoy boutique like shopping with over 60 premier merchants offering apparel, jewelry, children's items, home goods, and original holiday items. Experience a wide variety of entertainment, great food, music, auctions, and much more!

The weekend begins on Thursday night with our Preview Party, an opportunity for patrons to get the first glimpse of the merchants. During Preview Party, you will get to experience live entertainment, commemorative photography, live & silent auctions, and recognition of the Junior League annual partners. The tradition continues with our Champagne Brunch on Friday morning to include a two hour private shopping event and live entertainment. Santa will be making an appearance at the Crafting with the Clauses children's event on Sunday morning. This event allows our youngest shoppers to create a small holiday craft, write their Santa wish list, and have their photo taken with Santa. General shopping hours run all weekend to close on Sunday afternoon.

## Spring Fundraiser: Brunch Fest

The Junior League of Panama City Brunch Fest is an outdoor brunch extravaganza at the historic Sapp House in downtown Panama City that allows some of the area's best food truck and catering companies to come out and celebrate everything from breakfast bacon to coffee! This is a fun, festive event that will allow our community to celebrate what some may call the most important meal of the day. While you are enjoying the food of our vendors you will also be able to enjoy some live entertainment, a silent auction, and much more.
